1. Xf. & Nxf. Txiaj Pov Ly have accepted the role of Senior Pastor and are planning to relocate by the end of June or early July. We will need volunteers to assist their family with the move during that time. We also ask the congregation to help identify a rental home for the pastor—ideally a three-bedroom, two-bathroom house with a full basement, located within a reasonable distance from the church. If you are available to help with the move or know of any rental properties that meet these needs, please contact the deacons. The leadership team also encourages all members to give faithfully so that we can meet our budget goals and support our new pastor.
